## PANI Wins Global Sustainability Award 2025

OneStage's flagship PANI initiative has won the Global Sustainability Award 2025 (Gold) under SDG 17, recognizing its powerful model of partnership driven impact. By uniting corporates, governments, and communities, PANI is rejuvenating waterbodies, restoring ecosystems, and strengthening climate resilience across India. This honour reinforces OneStage's commitment to collaborative, sustainable change.

## OneStage & Rolls-Royce Inspire Girls in STEM Through Wings4Her

Under the Wings4Her program powered by Rolls-Royce, OneStage conducted school and college mentoring sessions in Delhi and Pune. Through STEM conversations, role model interactions, and confidence building engagements, our teams nurtured curiosity and ambition among young girls. The visits reaffirmed OneStage's commitment to empowering future women innovators and expanding pathways for girls in STEM.

## OneStage Releases "Ripples of Change" Impact Study

OneStage launched Ripples of Change, an evidence based impact study assessing our flagship PANI Project across rejuvenated waterbodies and solar interventions. Capturing community voices: from rising groundwater to safer water access and stronger local stewardship, the report, unveiled by our Board Chairman, reinforces OneStage's commitment to climate resilience driven by empowered communities and grassroots action.

## OneStage at Odisha Vikash Conclave 2025

OneStage proudly joined CYSD's Odisha Vikash Conclave 2025 as a collaborating partner. Our CEO, Pratyush Panda, PhD, led key climate-resilience dialogue and round table, emphasising how climate affects health, education, and livelihoods. We reinforced OneStage's commitment to community-led, climate-responsive development and strengthening resilient futures for vulnerable communities.

## OneStage Acknowledges Valuable Contributions of Intern Justus

OneStage was delighted to host Justus Appenrodt from the University of Göttingen for his three month internship. Contributing to impact assessments for PANI and Prarambh, he brought sharp analysis, fresh perspectives, and genuine curiosity. His work added meaningful value to our teams. We wish him continued growth and impact ahead.

## OneStage Deepens Craft Ecosystem Insights

OneStager Rupendra's field visit, strengthened our understanding of India's craft ecosystems. Through interactions with national award winning terracotta artist Mukund Rana, expert Pradeep Mahapatra, and Sambalpuri weavers, we gained critical insights into artisan challenges. These learnings guide OneStage in designing resilient, market linked, and community centered craft interventions.

## Strengthening India's Nonprofit Ecosystem

OneStage in partnership with Collaborative Philanthropy Foundation continues to strengthen India's Not for Profit sector. In November 2025, the Collaborative Philanthropy Foundation has completed **3** due diligence checks ensuring donor confidence and verifying credible NGOs. Additionally, **6** granting aid RFPs were circulated with the verified NGOs

## OneStage Strengthens Scholarship Systems with Shiksha Sankalp Society

OneStage is proud to partner with Shiksha Sankalp Society to enhance transparency and efficiency in the Lakshya Scholarship Program. By strengthening fund management and disbursement systems, OneStage ensures every rupee reaches deserving students on time. Together, we're enabling equitable access to higher education and empowering more young minds to pursue their aspirations.
